When you will arrive in Bali, you will feel as if you will have just landed in paradise.

The places, the weather, the nature are all unbelievably beautiful, and the warmth of the Balinese people will instantly make you feel at home.

Unique activities that vary from: snorkelling with turtles, to swimming in stunning waterfalls, visiting incredible places such as: the Gili islands, riding elephants, admiring the rice fields, playing with the monkeys at the monkey's temples, will all make your trip truly memorable.

You will start your journey from your selected resort and you will then be guided from our guides, to visit some of the most iconic and beautiful temples on the island. You will then head off to the Canggu area, and here you will have the chance to dive into a private surf class. After your lesson, we will bring you to one of the most charming and secret beaches in Bali, so that you can admire one of the most breath-taking sunset views of the island.

Dinner will be served in a local yet entertaining restaurant, so that you can savour and enjoy seasonal and fresh traditional dishes such as: noodles, fried rice with vegetables or chicken and outstanding fish soups.
